

Xlear Oral Health Scholarship

Purpose

The purpose of the Xlear Oral Health Scholarship is to bring awareness of the benefits of xylitol to dental hygienists and those they help.

Eligibility

Dental Hygienists accepted to study at O'Hehir University are eligible to apply for the Xlear Oral Health Scholarship.

Review Process

Applications will be reviewed by O'Hehir University faculty and a designated representative from Xlear Inc.

Application

In addition to their resume, applicants will describe their experience with xylitol products and explain why they think they are a good candidate for this scholarship.

Outcome

Students will incorporate Xlear/Spry products into their Action Research Projects and write a summary of the project for publication.

Amount

Each Xlear Oral Health Scholarship will provide \$3000 to cover tuition for the O'Hehir University BS Degree Completion Program.
